Water Play

Water Play is a fun aspect of the summer program. Allowing the children to be outdoors in an enjoyable way. We will be utilizing sprinklers and water tables for water play during the summer. Water play will take place every day, Monday-Thursday.

WHAT TO BRING

Students should come wearing their bathing suit every morning, as well as closed back water shoes. Please send along a towel and a complete change of clothing. Towels will remain in school throughout the week and be sent home on Thursday to launder. Alternatively please let your child’s teachers know if you prefer to send a fresh towel daily.
