Communication

Open and respectful communication is essential to a thriving school community. We encourage parents and guardians to engage with us in a spirit of collaboration and mutual respect. As we work together, please keep in mind that our staff members have their own schedules and families, and we appreciate your consideration of their time.

When communicating with teachers, please use the Playground messaging system to ensure timely and organized communication. For administrative matters or general inquiries, please contact the office via email or phone. We kindly request that you respect staff members' personal time and boundaries, and refrain from contacting them outside of school hours or through personal channels.

When making changes to carpool arrangements, please use the Carpool tab on Playground or notify the office with sufficient notice to ensure a smooth pickup and drop-off process.

By communicating openly, respectfully, and thoughtfully, we can work together to create a positive and supportive environment for all students and staff.

Allergies

Aleph Bet is a completely nut free school.

If your child has allergies, please contact the office.

Snacks

A nutritious Morning and Afternoon snack is provided to all our students. Each family is designated a week to provide the snacks for our school. The office will send a reminder email and phone call as well as inform you of options you may bring.

For your convenience, we now offer the option of shopping for you. The snack fee is \$200 and can be paid via cash, check, paypal or credit card.

Please contact Rabbi Dov or Mussie before purchasing snacks to verify Kosher and Allergen standards are met.

Birthday Policy

At Aleph Bet, the children love to celebrate birthdays.

- Birthday celebrations must be arranged with the staff at least one week in advance.
- Aleph Bet will provide the ingredients for the class to bake a cake together.
- Parents are welcome to bring in paper goods, fresh whole fruit, and juice boxes for the party.

Absolutely **NO** Party or Goody Bags may be distributed in school.

Shabbos Abba & Ima

Each week, our students love to celebrate Shabbos by baking Challah and enjoying a Shabbos Party.

The Morahs will inform you when your child is the Shabbos Abba or Ima.

To help celebrate the Shabbos Party, the Shabbos Abba & Ima may bring in fresh fruit, vegetables or juice to share with the class.

Health & Safety

To help ensure the safety of our students and staff, if your child is feeling unwell or sick, keep your child home.

Should symptoms present during school, parents will be notified by the school and must come pick up their child within the hour.

For full details regarding the sick policy and when your child may return to school, please reference the parent handbook or reach out to the office.

Late Pick Up

We appreciate your respect for our staff's time. A \$5 late fee will be charged per occurrence for up to 5 minutes late, and \$5 for each additional 5 minutes thereafter. We allow a 2-minute buffer after pickup time before charging late fees.

To facilitate automatic payment, please ensure you have a credit card on file in your Playground account.

If you anticipate being late, kindly notify the office. We're reasonable and understanding, especially in situations beyond your control, such as weather or traffic. Your safety is our top priority – please prioritize safe driving practices over punctuality.

Looking forward to a most successful year ahead!
